

# Your Stance

Children & grandchildren of American lawyers & judges might reasonably ask...

" **Daddy | Mommy | Grandma | Grandpa :**

Did you contribute to making our civic rules  
more easily comprehensible, more predictably constructive,  
and more promptly & uniformly enforced, like the rules of sports?

Or: Did you wander about in the centuries-old mountains  
of self-serving legal mischief & misrepresentation?

Or What? "
