Let's converge.

Monday, March 27th, 2017

You're interfacing with a WordPress content management system. Recent additions to the website are listed under **RECENT POSTS** to the right.

Prior to July 2016, **Setterholm.com** was purely an FTP (File Transfer Protocol) site. Use <http://ftp.setterholm.com> ... or click on the 'FILES' tab at the upper right to go there.

The 11 page overview of most of the content is: <http://ftp.setterholm.com/Directory.pdf>

'Alternative facts' have alternatives, whereas 'unopposed lies' resemble one-sided coins; both mislead. Hidden facts leave us uninformed, but silence usually passes for 'honesty' - no matter how misleading the assessment might be. Let's converge. [Click here for further insights.](#)
= <http://ftp.setterholm.com/Philosophy/LTDW20.pdf>

"honesty"= Striving to provide information and understandings which inform the decisions of other people to their Earthly benefit in the short and long term. TPW 2006

"dishonesty"= Obscuring or withholding information or understandings which would inform the decisions of other people to their Earthly benefit in the short or long term. TPW 2006

"stupidity"= Being unable to understand how other people might achieve Earthly benefits. TPW 2017

"trustworthy"= An adjective describing a person who manifests the energy, will, and skill to both avoid catastrophes and achieve benefits for another person or group of people at no unfair cost to society, preferably at no cost to society. TPW 2009
